Mr Steve Georganas MP - family reunion travel

Executive summary

1. The Independent Parliamentary Expenses Authority (IPEA) conducted an assurance review of Mr Steve Georganas MP's use of work resources for family reunion purposes (family reunion travel resources) for the period 1 July 2021 to 30 June 2023 (the period in scope).

Scope

2. The scope of this assurance review is family reunion travel by Mr Georganas and his family between 1 July 2021 and 30 June 2023.
3. The purpose of the assurance review was to determine whether the family reunion travel resources were used in accordance with the legislative framework.

Reason for review

4. As part of IPEA's review of parliamentarians' use of family reunion travel resources, IPEA undertook a preliminary assessment into family reunion travel by Mr Georganas and his family members during the period 1 July 2021 and 30 June 2023. After excluding family travel to and from Canberra, the preliminary assessment found that family reunion travel resources had been used by Mr Georganas for travel to Queensland from 4 to 10 October 2022, and travel to Melbourne from 1 to 3 November 2022.
5. On 4 February 2025, IPEA commenced an assurance review of Mr Georganas' family reunion travel.

Outcome*

6. IPEA found that the use of family reunion travel resources was not inconsistent with the legislative framework.

*Potential outcomes

There are three potential outcomes of an assurance review:

1. Consistent with the framework (rules)

IPEA finds that the use of the relevant travel resource complied with the law.

This means the available evidence, including information provided by the member, clearly shows that all obligations under the *Parliamentary Business Resources Act 2017* were met.

2. Not inconsistent with the framework (rules)

IPEA finds that the use of the relevant travel resource was not shown to be against the law.

This means IPEA has accepted the member's explanation that they met their obligations under the *Parliamentary Business Resources Act 2017*, and IPEA has not found any evidence to the contrary.

3. Not consistent with the framework (rules)

IPEA finds that the use of the relevant travel resource did not comply with the law.

This means there has been a misuse of a parliamentary work resource under the *Parliamentary Business Resources Act 2017*. Where misuse is found, the value of the resource will be recovered, including any applicable penalty.

IPEA's statutory audit function

7. IPEA audits parliamentarians' use of parliamentary business work resources and the use of travel resources by their staff under section 12 of the *Independent Parliamentary Expenses Authority Act 2017*. IPEA conducts assurance reviews to assess the use of resources against the legislative framework to determine if there has been misuse.

Legislative framework

8. Section 6 of the *Parliamentary Business Resources Act 2017* (the PBR Act) provides the following meaning of **parliamentary business**:

The parliamentary business of a member means any of the following:

- (a) the **parliamentary duties** of a member, being activities of the member that:
 - i. relate directly to the member's role as a member; and
 - ii. are determined for the purposes of paragraph (4)(a);
- (b) the **electorate duties** of the member, being activities of the member that:
 - i. support or serve the member's constituents; and
 - ii. are determined for the purposes of paragraph (4)(b);
- (c) the **party political duties** of the member, being activities determined for the purposes of paragraph (4)(c);
- (d) for a member who is an office holder or a Minister of State – the **official duties** of the member being activities that:
 - i. relate to the member's role as an office holder or Minister of State; and
 - ii. are determined for the purposes of paragraph (4)(d).

9. Subsection 6(4) of the PBR Act provides that the Minister must determine activities of a member that are parliamentary duties of the member, or electorate duties of the member, or party political duties of the member, or official duties of the member. The Parliamentary Business Resources (Parliamentary Business) Determination 2017 (the Determination) determines the activities which fall within the four duty streams set out in section 6 of the PBR Act.

10. Section 6 of the Parliamentary Business Resources Regulations 2017 (PBR Regulations) provides the meaning of **family reunion purposes** as:

A family member of a member travels for **family reunion purposes** if:

- (a) the member is travelling within Australia for the dominant purpose of conducting the member's parliamentary business; and
- (b) the family member travels to accompany or join the member; and
- (c) the travel by the family member is for the dominant purpose of facilitating the family life of the member's family.

11. Section 4 of the PBR Regulations provides the following meaning of **family member**:

- (a) the member's spouse or nominee;
- (b) a dependent child of the member;
- (c) a designated person in relation to the member.

Review process

12. Mr Georganas and his spouse undertook two trips using work resources for which IPEA required additional information to assess whether their use of family reunion travel was consistent with the legislative framework.

Queensland travel

13. Mr Georganas and his spouse flew from Adelaide to Brisbane on 4 October 2022 using parliamentary work resources for flights, ground transport and one night of travel allowance in Brisbane.
14. They then flew from Brisbane to Townsville on 5 October 2022, again using parliamentary work resources for flights, ground transport in and around Townsville, and one night of travel allowance in Townsville.
15. They travelled from Townsville to Cairns on 6 October 2022, using parliamentary work resources for flights, ground transport and two nights of travel allowance in Cairns.
16. They then flew from Cairns to Adelaide on 10 October 2022, using parliamentary work resources for flights and ground transport from the Adelaide airport.

Melbourne travel

17. Mr Georganas and his spouse flew from Adelaide to Melbourne on 1 November 2022, using parliamentary work resources for flights, ground transport and two nights of travel allowance in Melbourne.
18. They returned from Melbourne to Adelaide on 3 November 2022, using parliamentary work resources for flights and ground transport from the Adelaide airport.
19. IPEA corresponded with Mr Georganas on a number of occasions (**Attachments 1 to 10**). Mr Georganas was asked about the dominant purpose of his travel and the nature of his parliamentary business with reference to the Determination. Mr Georganas was also asked to advise whether his family member's travel met the three-part test in Section 6 of the PBR Regulations.
20. Mr Georganas advised that his travel to Queensland during the period 4 to 7 October 2022 was for the purpose of Parliamentary Committee business, and confirmed that his wife travelled to accompany him for the purpose of facilitating the family life of the Member.
21. Committee meeting papers were attached in support of this response.
22. Mr Georganas advised IPEA that he remained in Cairns from 7 to 10 October 2022 to meet with a group of local businesses, discuss business and tourism matters and facilitate connections with the Minister for Tourism.
23. Mr Georganas also advised that the travel to Melbourne in November 2022 was for a Defence sub-committee meeting at the HMAS Cerberus, and confirmed that his wife travelled to accompany him on his parliamentary business for the purpose of facilitating family life.
24. A meeting agenda was attached in support of this response.
25. Based on the information provided by Mr Georganas, IPEA notes that the dominant purpose of the travel undertaken by Mr Georganas to Queensland in October 2022 and Melbourne in November 2022 was parliamentary business, and that his spouse accompanied him for the dominant purpose of facilitating family life.

Conclusion

26. Based on IPEA's records, publicly available information and the information provided by Mr Georganas, IPEA found that the use of family reunion travel resources was not inconsistent with the legislative framework.

Mr Georganas' request to repay

27. During the course of the assurance review, on 8 October 2025, Mr Georganas wrote to IPEA requesting to repay expenses associated with his travel to Cairns from 7 to 10 October 2022 (**Attachment 11**).

28. IPEA notes Mr Georganas' advice that the dominant purpose of his travel to Queensland from 7 to 10 October 2022 was parliamentary business, and that his spouse accompanied him for the dominant purpose of facilitating family life. The travel is therefore assessed as being not inconsistent with the legislative framework, and the repayment is voluntary.

29. Section 39 of the PBR Act deals with voluntary repayments – when a parliamentarian seeks to repay a resource, and:

- a. the repayment does not relate to a contravention of section 26, 27 or 28 of the PBR Act;
- b. the provision of the public resource was not attributable to an administrative error within the Commonwealth; and
- c. the repayment is made more than 28 days from the date of the claim.

30. In accordance with Section 39 of the PBR Act, IPEA may apply a penalty loading of up to 25% of the resource amount following consultation with the parliamentarian.

31. IPEA engaged with Mr Georganas on several occasions to establish which expenses he wished to repay and consult him on the penalty loading (**Attachments 12 to 15**).

32. Following consultation with Mr Georganas, a penalty loading of 25% was applied to the repayment. The invoice for \$886.26 (comprising the repayment of \$709.01 plus a penalty loading of \$177.25) was sent to Mr Georganas on 10 December 2025 (**Attachment 16**). The invoice has been repaid in full.

Dear Mr Georganas

Assurance Review of travel and travel-related resources – Family Reunion Travel

As advised in our correspondence, of 5 February 2025 (attached), IPEA is undertaking an Assurance Review of travel and travel-related resources accessed in relation to your family reunion travel between 1 July 2021 and 30 June 2023.

In our original correspondence, IPEA outlined six questions for your response.

Your staff member responded to IPEA on 19 February 2025, advising that between 4 and 7 October 2022 you were in Queensland for Parliamentary Committee business, and providing evidence in support of this.

However, the response does not account for the entire period which IPEA has asked about (4 to 10 October 2022), and does not address questions 4 to 6 in relation to travel for you and your spouse to Melbourne from 1 to 3 November 2022.

In order to progress this matter, please provide responses to the following questions. Where we have asked about the nature of your parliamentary business, please reference the definition of Parliamentary Business as outlined in the Determination and provide copies of documentation to support your response, such as diary notes, invitations or media reporting.

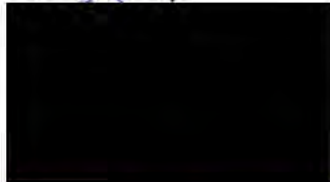

1. What was the dominant purpose of your travel to Cairns from 7 to 10 October 2022?
2. With reference to the Determination at **Attachment A**, what was the nature of your parliamentary business in Cairns between 7 and 10 October 2022?

3. What was the dominant purpose of your travel to Melbourne between 1 and 3 November 2022?
4. With reference to the Determination at **Attachment A**, what was the nature of your parliamentary business in Melbourne between 1 and 3 November 2022?
5. Please advise whether your spouse's travel expenses meet the three-part test in section 6 of the Parliamentary Business Resources Regulations 2017:
 - a. You were travelling for the dominant purpose of conducting your parliamentary business; and
 - b. Your family member was travelling to accompany or join you; and
 - c. Your family member's travel was for the dominant purpose of facilitating family life.

Please provide a personal written response to IPEA's questions via email to assurance@ipea.gov.au, by close of business on **Wednesday 4 June 2025**, or advise us prior to the date if you need more time.

Should you wish to discuss this matter, please contact

Dear Mr Georganas

Assurance Review of travel and travel-related resources – Family Reunion Travel

As advised in our correspondence, of 5 February 2025 (attached), IPEA is undertaking an Assurance Review of travel and travel-related resources accessed in relation to your family reunion travel between 1 July 2021 and 30 June 2023.

In our original correspondence, IPEA outlined six questions for your response.

Your staff member responded to IPEA on 19 February 2025, advising that between 4 and 7 October 2022 you were in Queensland for Parliamentary Committee business, and providing evidence in support of this.

However, the response does not account for the entire period which IPEA has asked about (4 to 10 October 2022), and does not address questions 4 to 6 in relation to travel for you and your spouse to Melbourne from 1 to 3 November 2022.

In order to progress this matter, please provide responses to the following questions. Where we have asked about the nature of your parliamentary business, please reference the definition of Parliamentary Business as outlined in the Determination and provide copies of documentation to support your response, such as diary notes, invitations or media reporting.

1. What was the dominant purpose of your travel to Cairns from 7 to 10 October 2022?
2. With reference to the Determination at **Attachment A**, what was the nature of your parliamentary business in Cairns between 7 and 10 October 2022?

3. What was the dominant purpose of your travel to Melbourne between 1 and 3 November 2022?
4. With reference to the Determination at **Attachment A**, what was the nature of your parliamentary business in Melbourne between 1 and 3 November 2022?
5. Please advise whether your spouse's travel expenses meet the three-part test in section 6 of the Parliamentary Business Resources Regulations 2017:
 - a. You were travelling for the dominant purpose of conducting your parliamentary business; and
 - b. Your family member was travelling to accompany or join you; and
 - c. Your family member's travel was for the dominant purpose of facilitating family life.

Please provide a personal written response to IPEA's questions via email to assurance@ipea.gov.au, by close of business on **Wednesday 4 June 2025**, or advise us prior to the date if you need more time.

Should you wish to discuss this matter, please contact 

Yours sincerely

Dear Mr Georganas

Assurance Review of travel and travel-related resources – Family Reunion Travel

As advised in our correspondence, of 5 February 2025 (attached), IPEA is undertaking an Assurance Review of travel and travel-related resources accessed in relation to your family reunion travel between 1 July 2021 and 30 June 2023.

In our original correspondence, IPEA outlined six questions for your response.

Your staff member responded to IPEA on 19 February 2025, advising that between 4 and 7 October 2022 you were in Queensland for Parliamentary Committee business, and providing evidence in support of this.

However, the response does not account for the entire period which IPEA has asked about (4 to 10 October 2022), and does not address questions 4 to 6 in relation to travel for you and your spouse to Melbourne from 1 to 3 November 2022.

In order to progress this matter, please provide responses to the following questions. Where we have asked about the nature of your parliamentary business, please reference the definition of Parliamentary Business as outlined in the Determination and provide copies of documentation to support your response, such as diary notes, invitations or media reporting.

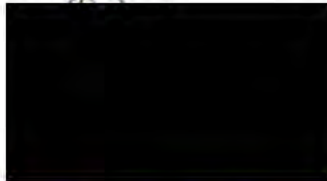

1. What was the dominant purpose of your travel to Cairns from 7 to 10 October 2022?
2. With reference to the Determination at **Attachment A**, what was the nature of your parliamentary business in Cairns between 7 and 10 October 2022?

3. What was the dominant purpose of your travel to Melbourne between 1 and 3 November 2022?
4. With reference to the Determination at **Attachment A**, what was the nature of your parliamentary business in Melbourne between 1 and 3 November 2022?
5. Please advise whether your spouse's travel expenses meet the three-part test in section 6 of the Parliamentary Business Resources Regulations 2017:
 - a. You were travelling for the dominant purpose of conducting your parliamentary business; and
 - b. Your family member was travelling to accompany or join you; and
 - c. Your family member's travel was for the dominant purpose of facilitating family life.

Please provide a personal written response to IPEA's questions via email to assurance@ipea.gov.au, by close of business on **Wednesday 4 June 2025**, or advise us prior to the date if you need more time.

Should you wish to discuss this matter, please contact 

Yours sincerely

Subject: Engagement in the Cairnes Regions- October 2022

Dear [REDACTED]

I am writing to respond to you about the parliamentary engagements of the Member for Adelaide during the week of 3 October 2022, specifically on the 8th and 9th of October, in the Cairns region, Queensland.

Prior to travel, Steve was contacted by a businessperson known to him, as such was approached and asked to meet with a group of businesses.

The purpose of travel for that week was that the Member was involved in significant parliamentary committee meetings, in Cairns, with local businesses in the region aware of his presence in the area. Steve agreed to meet after his Committee commitments.

Steve met with individuals and groups relating to various business and tourism matters, seeking the Member's support in advocating for their issues with the tourism minister.

Recognising the importance of these discussions, the Member took the initiative to meet with both the individuals and groups on those two dates, and through these meetings, he successfully facilitated connections with the Minister.

As a result of these meetings, the individuals and groups were provided with the opportunity to meet with the Minister personally, enabling them to address the critical matters they had raised on essential issues in the tourism sector.

If you require any further information or wish to discuss this matter in more detail, please do not hesitate to contact me.

Kind Regards,

Dear Dr Winternitz

Thank you for your correspondence dated 9 September 2025. I appreciate the additional time you have provided for me to respond.

As with the query or audit, I have undertaken a search of my diary and records to identify my activities and parliamentary business on the dates mentioned.

Due to my office having had significant staffing changes and the fact that this audit goes back a number of years, it is difficult to establish my actual movements across the days identified.

I do have clear recollections of my activities on those dates including meeting with several stakeholders including tourism operators that I referred to the relevant Minister, however, out of an abundance of caution, I would like to personally pay for any expenses incurred.

Could you please issue an invoice for repayment at your earlier convenience.

Dear Dr Winternitz

Thank you for your correspondence dated 9 September 2025. I appreciate the additional time you have provided for me to respond.

As with the query or audit, I have undertaken a search of my diary and records to identify my activities and parliamentary business on the dates mentioned.

Due to my office having had significant staffing changes and the fact that this audit goes back a number of years, it is difficult to establish my actual movements across the days identified.

I do have clear recollections of my activities on those dates including meeting with several stakeholders including tourism operators that I referred to the relevant Minister, however, out of an abundance of caution, I would like to personally pay for any expenses incurred.

Could you please issue an invoice for repayment at your earlier convenience.

Yours sincerely,

Dear Mr Georganas,

I am writing in response to your letter of 8 October 2025. IPEA has taken this to mean that you wish to repay the following expenses:

- Your return flight from Cairns to Adelaide on 10 November 2022
- Your spouse's return flight from Cairns to Adelaide on 10 October 2022
- Your COMCAR from Adelaide Airport to Adelaide on 10 October 2022

You have advised that you wish to repay these expenses notwithstanding that they were incurred for the dominant purpose of your parliamentary business. IPEA has taken this to indicate that the repayment is not associated with a contravention of your obligations under sections 26, 27 and 28 of the *Parliamentary Business Resources Act 2107* (the Act).

Section 39 of the Act deals with voluntary repayments i.e. a repayment not made as a result of a parliamentarian's contravention of their obligations under the Act. Section 39 provides that where a parliamentarian makes a repayment in relation to a claim for a public resource and that repayment is made more than 28 days after the day of the claim, a penalty loading of up to 25% may be applied.

As it is more than 28 days since the date of the claims you are seeking to repay, I am now seeking your comments in relation to the application of a penalty loading.

The expressed intent of the penalty loading provisions in relation to voluntary repayments is to ensure "*consistent treatment for all members when making repayments*".

To finalise this matter, please provide any comments you might wish to make to assist me in my consideration of the amount, up to 25%, that should be applied in this instance. You might wish to comment about the circumstances in which the claim was made and your reasons for repayment.

I would be grateful if you could respond to this request by **7 November 2025**. If I have not received your advice by that date, I may proceed to make a decision on the penalty loading in the absence of your input.

Yours sincerely

Subject: Engagement in the Cairnes Regions- October 2022

Dear [REDACTED]

I am writing to respond to you about the parliamentary engagements of the Member for Adelaide during the week of 3 October 2022, specifically on the 8th and 9th of October, in the Cairns region, Queensland.

Prior to travel, Steve was contacted by a businessperson known to him, as such was approached and asked to meet with a group of businesses.

The purpose of travel for that week was that the Member was involved in significant parliamentary committee meetings, in Cairns, with local businesses in the region aware of his presence in the area. Steve agreed to meet after his Committee commitments.

Steve met with individuals and groups relating to various business and tourism matters, seeking the Member's support in advocating for their issues with the tourism minister.

Recognising the importance of these discussions, the Member took the initiative to meet with both the individuals and groups on those two dates, and through these meetings, he successfully facilitated connections with the Minister.

As a result of these meetings, the individuals and groups were provided with the opportunity to meet with the Minister personally, enabling them to address the critical matters they had raised on essential issues in the tourism sector.

If you require any further information or wish to discuss this matter in more detail, please do not hesitate to contact me.

Dear Mr Georganas,

I am writing in response to your letter of 8 October 2025. IPEA has taken this to mean that you wish to repay the following expenses:

- Your return flight from Cairns to Adelaide on 10 November 2022
- Your spouse's return flight from Cairns to Adelaide on 10 October 2022
- Your COMCAR from Adelaide Airport to Adelaide on 10 October 2022

You have advised that you wish to repay these expenses notwithstanding that they were incurred for the dominant purpose of your parliamentary business. IPEA has taken this to indicate that the repayment is not associated with a contravention of your obligations under sections 26, 27 and 28 of the *Parliamentary Business Resources Act 2107* (the Act).

Section 39 of the Act deals with voluntary repayments i.e. a repayment not made as a result of a parliamentarian's contravention of their obligations under the Act. Section 39 provides that where a parliamentarian makes a repayment in relation to a claim for a public resource and that repayment is made more than 28 days after the day of the claim, a penalty loading of up to 25% may be applied.

As it is more than 28 days since the date of the claims you are seeking to repay, I am now seeking your comments in relation to the application of a penalty loading.

The expressed intent of the penalty loading provisions in relation to voluntary repayments is to ensure “consistent treatment for all members when making repayments”.

To finalise this matter, please provide any comments you might wish to make to assist me in my consideration of the amount, up to 25%, that should be applied in this instance. You might wish to comment about the circumstances in which the claim was made and your reasons for repayment.

I would be grateful if you could respond to this request by **7 November 2025**. If I have not received your advice by that date, I may proceed to make a decision on the penalty loading in the absence of your input.

Subject: Engagement in the Cairnes Regions- October 2022

Dear [REDACTED]

I am writing to respond to you about the parliamentary engagements of the Member for Adelaide during the week of 3 October 2022, specifically on the 8th and 9th of October, in the Cairns region, Queensland.

Prior to travel, Steve was contacted by a businessperson known to him, as such was approached and asked to meet with a group of businesses.

The purpose of travel for that week was that the Member was involved in significant parliamentary committee meetings, in Cairns, with local businesses in the region aware of his presence in the area. Steve agreed to meet after his Committee commitments.

Steve met with individuals and groups relating to various business and tourism matters, seeking the Member's support in advocating for their issues with the tourism minister.

Recognising the importance of these discussions, the Member took the initiative to meet with both the individuals and groups on those two dates, and through these meetings, he successfully facilitated connections with the Minister.

As a result of these meetings, the individuals and groups were provided with the opportunity to meet with the Minister personally, enabling them to address the critical matters they had raised on essential issues in the tourism sector.

If you require any further information or wish to discuss this matter in more detail, please do not hesitate to contact me.

Dear Mr Georganas,

Thank you for your staff member's email of 29 October 2025, in which you clarified that you wish to repay your spouse's airfare from Cairns to Adelaide on 10 October 2022. As you are aware, IPEA is undertaking an Assurance Review of travel and travel-related resources accessed in relation to your family reunion travel between 1 July 2021 and 30 June 2023.

Section 39 of the *Parliamentary Business Resources Act 2017* (the Act) provides that where a repayment is made to the Commonwealth in relation to a claim for a public resource under the Act, and that claim was not subject to s38 of the Act (i.e. was not made in contravention of s26, 27 or 28), the resource provider may determine that an amount up to 25% be applied to the repayment as a penalty loading.

IPEA contacted you on 24 October 2025 to consult with you in relation to the penalty loading that should apply to your repayment.

Your staff member confirmed in a phone call on 3 December 2025 that you had no further comments in relation to the penalty loading.

In the absence of any additional information, the delegate has applied a 25% penalty loading to the repayment.

An invoice for the amount of \$886.26 is attached, for the recovery of the airfare and the 25% penalty loading.

Thank you for your cooperation in this matter.

Please contact me if you have any questions.

Subject: Engagement in the Cairnes Regions- October 2022

Dear ██████████

I am writing to respond to you about the parliamentary engagements of the Member for Adelaide during the week of 3 October 2022, specifically on the 8th and 9th of October, in the Cairns region, Queensland.

Prior to travel, Steve was contacted by a businessperson known to him, as such was approached and asked to meet with a group of businesses.

The purpose of travel for that week was that the Member was involved in significant parliamentary committee meetings, in Cairns, with local businesses in the region aware of his presence in the area. Steve agreed to meet after his Committee commitments.

Steve met with individuals and groups relating to various business and tourism matters, seeking the Member's support in advocating for their issues with the tourism minister.

Recognising the importance of these discussions, the Member took the initiative to meet with both the individuals and groups on those two dates, and through these meetings, he successfully facilitated connections with the Minister.

As a result of these meetings, the individuals and groups were provided with the opportunity to meet with the Minister personally, enabling them to address the critical matters they had raised on essential issues in the tourism sector.

If you require any further information or wish to discuss this matter in more detail, please do not hesitate to contact me.

Kind Regards,

Steve Georganas MP
Federal Member for Adelaide
