Hi § 47F

How are you?

Thanks for your work on getting this ready for the Team. In response to your questions:

Include LAMING

Certified Claims only – Noting its for 2019 and everything should be certified no? Let me know if I'm wrong or that doesn't make sense. Include all transactions and we can filter out what we don't want. That way we have visibility on any repayments or possible changes of travel that were considered personal.

Entitlement date.

Domestic.

Many thanks

Hi § 47F

Can you please clarify the following please:

- Should data for Mr Andrew LAMING MP be included in the report as well or just family data?
- Were you after all transactions regardless of their claim (ie. Waiting Submission, Waiting Certification, Certified) or EMS journal status? Or were you just after the latest Certified transactions?
- Should the report be run based on when the date that the travel occurred (Entitlement Date) or the date that the transaction was certified by IPEA (Certified Date)?
- Were you after Domestic and International data, or just Domestic?

Thanks in advance,

Kind regards,
